Please Read Carefully

I hereby agree to the following terms and conditions of the University Admission Process:

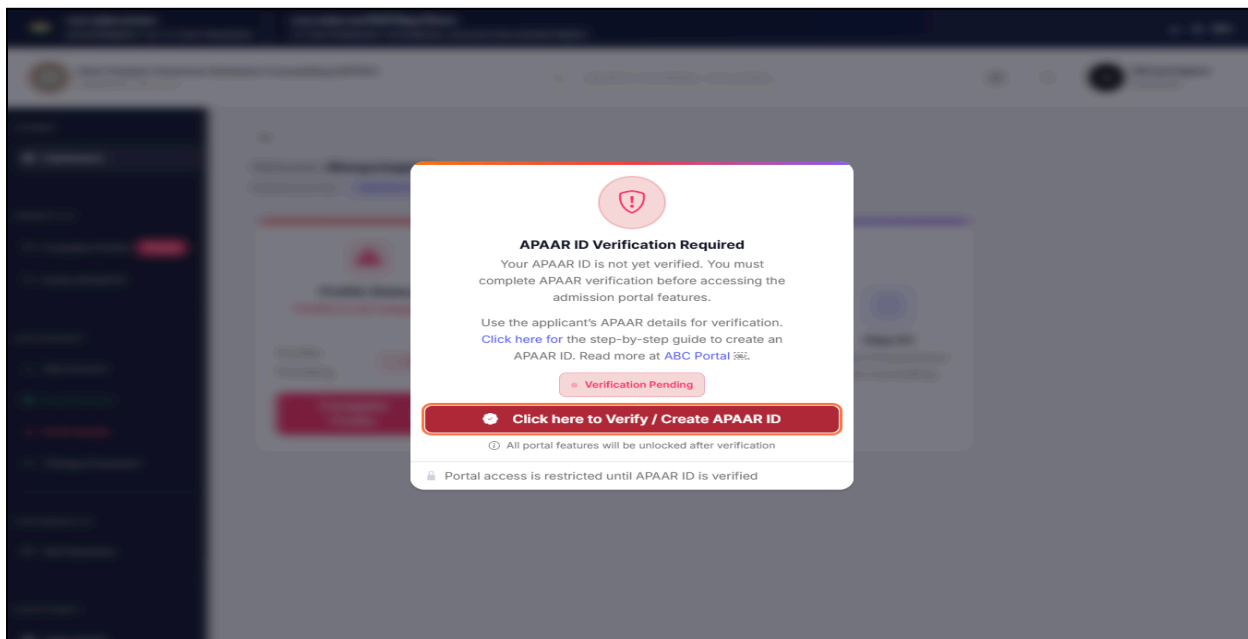

1. I have gone through and understood the contents of the Information Brochure / Counseling Process of UPTAC 2026, including the eligibility criteria prescribed therein.
2. I shall abide by the rules and admission process specified by UPTAC 2026. I understand that during document verification, if any discrepancy is found in original documents (such as mark sheets, category/subcategory certificates, domicile, gender, rural weightage, etc., wherever applicable), I may not be considered for UPTAC 2026 seat allotment.
3. I declare that I will not disclose or share my login password with anyone.
4. I understand that I am solely responsible for safeguarding my password, and neither UPTAC nor SAMARTH shall be responsible for any misuse. Verification of original documents will be conducted by the allotted institution at the time of physical reporting.
5. I understand that the choices locked by me are final and will be used for seat allotment in all subsequent rounds of counseling in which I participate.
6. I understand that choice locking is subject to successful verification of relevant documents as per the notified schedule. In case I fail to produce the required documents within the stipulated time, my UPTAC 2026 profile may be updated accordingly.
7. I acknowledge that I am required to preserve this document as proof of choice locking and produce it whenever required in the future.
8. In case a seat is allotted under TFW (Tuition Fee Waiver) and the institute/course is closed for any reason, the University reserves the right to shift the candidate to another institute, and the new institute may charge full fees.
9. **Note:** It is strongly recommended that the OTP sent to the applicant for activities such as password reset must not be shared with anyone. This OTP is confidential and intended for the applicant only. Neither UPTAC nor SAMARTH shall be responsible for any misuse or violation related to password or OTP.
